Welcome
Rachel Mallows, MBE DL

Our 2021 directory celebrates 10 years of Made In Northamptonshire and is brought to you by the generous sponsorship of North Northamptonshire Council.

The past ten years has seen an explosion of tasty tipples, delicious bites and sauces and sweets to satisfy any palate and dietary requirement. It is an evolving landscape of passionate producers and discerning diners.

Since our last printed directory in 2019 we have taken our range to the Houses of Parliament for a 'Taste of Northamptonshire' and have opened a shop at Rushden Lakes as part of the NNC's 'Recovery Through Enterprise' shop. Further MIN outlets are available – currently at Jeyes of Earls Barton with more to come within existing independent retailers. Our

philosophy remains the same – to celebrate and grow our local food and drink businesses to keep skills local, reduce food miles, encourage job creation and leverage more of the local pound spent on food and drink to remain in our local economy. We are also pleased to be shouting about those businesses who are showing their green, sustainability and healthy credentials!

None of this would be possible without you, our customer and your support of our Northamptonshire food and drink businesses. I love being in the shop, serving customers excited about supporting local, who recognise that local food and drink tastes great and does good. Thank you and enjoy your trip around our beautiful county with this directory, finding new staples and treats.

Made In Northamptonshire

We are a multi-stakeholder co-operative supporting producers and eateries to grow, make, produce, sell and eat Northamptonshire food and drink.

Here in Northamptonshire we are extremely proud of our produce and also those who work so hard to bring it to our markets, food and drink festivals, shops and deliver to your door. During the pandemic, local food and drink businesses changed their operations to provide their goods in local areas that were absolutely outstanding. And this wasn't just about business – many offered help for local residents or donated to foodbanks. We are very proud of all those whose provenance is Northamptonshire!

As a group of producers and eateries we meet quarterly and are always looking for new opportunities to promote and sell our food and drink and the chance to tell the stories behind them.

For more details about the group, please visit:

madeinnorthamptonshire.org

or contact Rachel:

t 01933 664437

Farmers' Markets

Northamptonshire's Farmers' Markets are positively buzzing with folks wanting to get their hands on quality local produce and drink at the right price.

Whether it's homegrown veg, locally-reared meat, cakes or bakes, sparkling cider or tasty pork sausages, where better to pick up the tastiest treats than from the farmer or producer themselves?!

Last Thursday of every month 9am to 2pm

The Weetabix Northamptonshire Food & Drink Awards

Here in Northamptonshire we make amazing food and drink!

With the East Midlands Food and Drink sector contributing £3.8bn to the regional economy, it is no surprise that Northamptonshire has so many local food heroes, producers, chefs, restaurateurs, café owners and pub landlords, all vying to put the county on the food and drink map by creating and serving culinary wonders of outstanding quality.

2021 sees the second year of headline sponsor Weetabix supporting the sector in Northamptonshire, in the competition's 13th year of Awards. We have 13 categories this year – including food and drink college student of the year and the Weetabix Sustainability Award. More details can be found on our website: northamptonshirefoodanddrink.co.uk or follow us @foodawards on Facebook, @foodawardshq on Twitter and Instagram and weetabixnfadawards on LinkedIn.

“The Weetabix Northamptonshire Food and Drink Awards are a fantastic way to elevate your business. I would recommend entering to anyone who is a food producer with growth ambitions, keen to build their brand reputation and reach a wider customer base. For a local producer, national and international exposure is essential, and these awards really help with this. The opportunities are endless”.

Gita Raikundalia, Nakasero Foods

*Gold winner of Artisan Local Product of the Year
and Artisan Local Vegetarian/Vegan
Product of the Year 2020/21*

Although our competition has closing dates throughout the summer, each year we always want to hear your nominations for Booker Dining Venue, Café, World Cuisine and Local Food Hero.

Waterloo Cottage

Angus and Kirsty Clarke run a small sustainable farm and farm shop that respects the natural systems that all plants and animals (including us) need to survive and thrive. They do this by using simple regenerative farming practices that harness science and work with nature to cultivate high-quality grains without chemicals. The store is proud to say that over 85% of their produce is their own produce, local, pesticide free or made from organic ingredients. They run an online home Delivery/click and collect that supports local small producers from the farm.

Samuel Squires

(Head Chef of Restaurant Hibiscus)

Restaurant Hibiscus is situated in the stunning Billiard Room at Delapré Abbey. An AA rosette-awarded restaurant that showcases the very best seasonal and locally sourced produce on the Chef's personal tasting menu. The simple yet carefully created dishes are complemented by relaxed and attentive service in the comfortable, elegant surrounding of Delapré Abbey where diners can enjoy the key elements of the current seasonal dining scene with Chef Squire's innovative twist.
